PROSPECTUS (2014-15)

B.Sc. (H) Biotechnology (6 semesters)
B.Sc. (H) Industrial Microbiology (6 semesters)
M.Sc. /M.V.Sc. Biotechnology (4 semesters)
PhD Biotechnology (6 semesters)

(Under self finance scheme)

College of Biotechnology

Uttar Pradesh Pandit Deen Dayal Upadhyaya Pashu Chikitsa Vigyan Vishwavidyalya Evam Go-Anusandhan Sansthan (DUVASU), Mathura-281001 (U.P.)
IMPORTANT DATES

1. Last date of receipt of application
   (i) B.Sc. Programs : 31-07-2014 Thursday
   (ii) M.Sc. /M.V.Sc. and Ph.D. Programs : 25-08-2014 Monday

2. Date of counseling for B.Sc. Programs : 12-08-2014 Tuesday
3. Registration and Commencement of Classes for B.Sc. Programs : 19-08-2014 Tuesday

4. Date of counseling for PG Programs
   i) M.V.Sc./M.Sc. : 08-09-2014 Monday
   ii) PhD : 09-09-2014 Tuesday

5. Registration and Commencement of Classes : 15-09-2014 Monday

6. Venue for counseling : College Of Biotechnology

The merit list shall be notified within one week of last date of receipt of application on the University website www.upvetuniv.edu.in. Time, Venue and subsequent counseling date (if any as per requirement) will be notified on University website.

IMPORTANT

Any dispute arising out of anything connected with the University and its activities including admissions will be subject to jurisdiction of the Courts situated at Mathura.

DISCLAIMER

The statements made in the Prospectus and all information contained herein is believed to be correct at the time of publication. However, the University reserves the right to make any time, without notice, changes and additions to the regulations, conditions governing the conduct of students, requirements for degree, fees and any other information, or statements contained in this Prospectus. No responsibility will be accepted by the University for Hardship or expenses incurred by its students or any other person or persons for such changes, additions, omissions or errors, no matter how they are caused.
APPLICATION FEE: RS. 1000/-

Chapter – I

About the University

The U.P. Pandit Deen Dayal Upadhyaya Pashu Chikitsa Vigyan Vishwavidyalaya Evam Go-Anusandhan Sansthan, Mathura came into existence on Oct. 25, 2001, by an Act of Govt. of Uttar Pradesh (Act No. 27 of 2001). The main campus of the University is spread over a vast land area of 782.32 acres in Mathura Cantt and about 1400 acres at Madhurikund, about 20 km away from the main campus.

The objectives and mandate of the University are:
(i) To impart quality education in Veterinary and allied sciences;
(ii) To undertake need-based and basic research; and
(iii) To provide extension services to disseminate the research findings and knowledge to farmers and livestock owners.

Presently under graduate and post graduate programs are being offered in the following colleges of the university:

1. College of Veterinary Science and Animal Husbandry
2. College of Biotechnology

In addition to the above Colleges, The University will have the following faculties too in the near future to be started in a phased manner:

(1) College of Fisheries
(2) College of Livestock Products Technology
(3) College of Animal Industry and Business Management

Establishment of these Colleges will provide further opportunities to the students of the State of Uttar Pradesh and other States to seek other professional degrees and also vocational training in different specified fields to improve their career prospects.

COLLEGE OF VETERINARY SCIENCE AND ANIMAL HUSBANDRY:

It is one of the premier Veterinary Colleges of India established in 1947. The College caters to the needs of trained manpower for the State of U.P. as well as other States by carrying out teaching, research and extension education programmes pertaining to livestock production and health.

The College has 20 well-established departments having highly qualified Faculty and state of the art laboratory facilities. Apart from these teaching departments the college has a Central Instrumentation Laboratory equipped with latest instruments, equipments and research gadgets. These facilities are used for providing “hands on training” to the under-graduate and post-graduate students of different faculty.
COLLEGE OF BIOTECHNOLOGY (academic programmes under self finance scheme):

Biotechnology integrates multiple disciplines like genetics, molecular biology, biochemistry, embryology, microbiology and cell biology, which are in turn linked to practical disciplines like Genetic engineering, Bioinformatics, Vaccine technology, Industrial microbiology and plant tissue /animal cell culture technology.

The College was started in 2010 under self-finance scheme with M.V.Sc./M.Sc. Biotechnology Program.

The mandate of the college:

- To provide education and research opportunities in Biotechnology and allied subjects.
- To develop centres of excellence in research programs that connects younger scientists and issues of concern and importance in life sciences.

The College has competent faculty to run the undergraduate and post graduate programs. College of Biotechnology has its own newly constructed modern building equipped with all necessary facilities for education and research in addition to newly built hostel facilities both for boys and girls. The University has signed Memorandum of understanding (MoU) with National institutes Of ICAR namely, Central Institute for Research on goats (CIRG), Makhdoom, Indian Veterinary Research Institute (IVRI), Izatnagar and National Dairy Research Institute (NDRI), Karnal. These MoUs with National institutes further enhance the research and education abilities of the College of Biotechnology through their faculty and laboratory facilities.
STUDENT’S AMENITIES

1. **SPORTS:**
   Facilities for indoor and outdoor games are provided to the students. There is a large play-ground for outdoor games like cricket, hockey, foot-ball, volley-ball, kabaddi, kho-kho etc. and various other athletic events. A new Gymnasium building of the University with excellent indoor facilities is also available at the campus. The University organizes annual sports meet along with the cultural programmes. All the sport events are guided and managed under the guidance of Staff Counselors and President Games and Sports is the overall Coordinating officer In-charge of all such programmes.

2. **EXTRA CURRICULAR ACTIVITIES:**
   Extra-curricular activities such as debates, declamation quiz, essay writing competition and cultural activities are arranged from time to time under the leadership of a Student Cultural Secretary and Cultural Counselor.

3. **TOURS:**
   Students are sent on educational tour to near by national institutes as per the syllabus need.

4. **AKMU CELL:**
   Computers with internet connectivity are available in Agricultural Knowledge Management Unit (AKMU). In addition to this all the departments and offices of the University are connected with a LAN System.

5. **CAFETERIA/CAANTEEN:**
   Cafeteria / Canteen are available to meet out the needs of student and staff of the University.

6. **BANK and POST OFFICE:**
   Indian Overseas Bank with ATM facility and Sub-Post Office are also available in the University Campus.

7. **COOPERATIVE FACILITIES:**
   Consumer Cooperative Society services are provided to the students by making them available routine daily use items including stationery, laboratory manuals etc. Facility of utensils to the mess on nominal charges is also being provided.

8. **UNIVERSITY LIBRARY:**
   University has a central library housed in a three storied building with large number of books and relevant Indian and foreign journals. The library has also the modern facilities like photocopy machine and computer with Internet connections. The library remains open from 10.00 A.M. to 8.00 P.M. A separate book bank has been commissioned as an additional facility to the students of weaker sections of the society. Apart from the Central Library, Departmental libraries also function in the College of Veterinary Sciences. The Central Library is the hub of scholastic activities.

9. **STUDENTS WELFARE:**
   The Department of Students Welfare in the University provides ample scope, opportunities and facilities for all round development of personality and leadership qualities in students. Besides high standards of academic performance, special emphasis is laid down on discipline. Students effectively participate in the management of hostels, mess system, games and sports, cultural and literary activities and other functions of the University from time to time.
10. HOSTELS:
The University has Seven (5 Boys & 2 Girls) well ventilated, neat and clean hostels for accommodating the students. Hostels are provided with Wi-Fi Internet Connectivity. Two girls’ hostels accommodating 80 girl students of undergraduate and postgraduate programmes having good facilities are available. Each hostel has been provided with common room facilities with colour television, newspapers and magazines. There are also indoor game facilities for Table Tennis, Carom etc. Cooperative Mess facility along with supply of milk at subsidized rates from the University owned dairy farm is also provided for the benefit and convenience of the students. The hostels are managed by Wardens/ Hostel Superintendents who are generally senior teachers of the University under the supervision of Dean Students Welfare (DSW).

11. N.C.C.:
Participation in N.C.C. programme is mandatory for each and every student. The NCC cadets of R. & V. Squadron have brought many laurels for the university.

12. Health Centre:
The Health Centre is located within the campus. The Centre has an indoor patients ward with five beds. A doctor also visits the centre twice a week. There is regular disbursement of medicines to all University employees and students from the Health Centre.
Chapter – III

Course Programs Offered

B.Sc. Biotechnology (H)

About the Course

Bio-technology is a science involving the use of living organisms in processes for the manufacture of useful products. It involves algae, bacteria, fungi, yeast, cells of higher plants and animals. Biotechnology is multi-disciplinary in nature and includes biological sciences e.g. genetics, microbiology, animal cell culture, molecular biology, biochemistry, embryology, cell biology, cell & Tissue culture, immunology and chemistry. Modern use of the term biotechnology refers to making changes in the genes of an organism (bacteria, animals and plants) to improve their characteristics, like production of useful protein in bacteria, curing genetic diseases in humans and to develop resistance against diseases caused by various virus, bacteria and insects in plants.

Career Prospects

The bio-technology Industry is constantly growing and in the past 10 years, human resources in the field have grown by 90%. The Indian bio-technology sector today comprises of over 350 companies generating revenues of about Rs 10,000 crores that is estimated to reach Rs 25,000 crores in the near future. Bio-tech industry has 37.42% growth rate per annum. A B.Sc. Biotechnology Graduate can get employment in the spheres of agro-biotechnology, bioinformatics, health products, medicine, pharmaceuticals, food industry, distilleries/breweries, clinical labs and research laboratories.

Name of the course:
This course is named as Bachelor of Science (Honors) in Biotechnology.

Duration of the course:
The Course shall be of 3 years duration under semester system and shall be completed in 6 (six) semesters.

Eligibility for admission:
10+2 (Physics, Chemistry, Biology) with at least 45% marks in aggregate or equivalent examination (40% in case of SC/ST candidates) Minimum age 17 years as on 31-12-2014

Selection procedure for admission:
Selection criteria for admission shall be on merit basis.

Maximum intake capacity:
30 (Thirty)

Medium of Instruction:
English
B.Sc. Industrial Microbiology (H)

About the course

Microbiology is a branch of science that studies microorganisms such as bacteria, protozoa, algae, fungi, bacteria, viruses, etc. The relevance and applications of these microorganisms to the surrounding environment including human life and Mother Nature becomes part of this branch. Since inception of this branch of science, Microbiology has remained a field of actively research and ever expanding in all possible directions; broadly categorized as pure and applied science. Different branches of Pure Microbiology based on taxonomy are Bacteriology, Mycology, Protozoology and Parasitology, Phycology and Virology; with considerable overlap between these specific branches over each other and also with other disciplines of life sciences, like Biochemistry, Botany, Zoology, Cell Biology, Biotechnology, etc. Areas in the applied Microbial Sciences can be identified as: Medical, Pharmaceutical, Industrial (Fermentation, Pollution Control), Air, Water, Food and Dairy, Veterinary, Environmental (Ecology, Geomicrobiology); and the technological aspects of these areas.

Career Prospects

Knowledge of different aspects of Microbiology has become crucial and indispensable to everyone in the society. Study of microbes has become an integral part of education and human progress. Building a foundation and a sound knowledge-base of Microbiological principles among the future citizens of the country will lead to an educated, intellectual and scientifically advanced society. Microbiological tools have been extensively used to study different life processes and are cutting edge technologies. There is a continual demand for microbiologists in the work force – education, industry and research. Career opportunities for the graduate students are available in manufacturing industry and research institutes at technical level.

Name of the course:
This course is named as Bachelor of Science (Honors) in Industrial Microbiology.

Duration of the course:
The Course shall be of 3 years duration under semester system and shall be completed in 6 (six) semesters.

Eligibility for admission:
10+2 (Physics, Chemistry, Biology) with at least 45% marks in aggregate or equivalent examination (40% in case of SC/ST candidates) Minimum age 17 years as on 31-12-2014

Selection procedure for admission:
Selection criteria for admission shall be on merit basis.

Maximum intake capacity:
30 (Thirty)

Medium of Instruction: English
M.Sc. / M.V.Sc. Biotechnology (4 semester duration)

About the Course

M. Sc. / M.V.Sc. Biotechnology aims to develop specialization in various diversified areas of biotechnology and its application to medicine, agriculture, environment, nutraceuticals, functional food and animal sciences etc.

Career Prospects

The curriculum imparts training in both fundamental and applied aspects of biotechnology. Each subject is adequately supported by applied practical conducted in well equipped laboratories in the area of Biotechnology, Animal Biotechnology & Immunology. The programme has a well conceived curriculum so as to fulfill the requirement for higher academic pursuits in Biotechnology.

Name of the course:
This course is named as Master of Science / Master of Veterinary Science (For veterinary graduates) in Biotechnology.

Duration of the course:
The Course shall be of 2 years duration under semester system and shall be completed in 4 (four) semesters.

Eligibility for admission:
Bachelor degree in life sciences/biotechnology/veterinary science/fishery science with at least 45% marks in aggregate (40% in case of SC/ST candidates)

Selection procedure for admission:
Selection criteria for admission shall be on merit basis.

Maximum intake capacity:
25 (Twenty five).

Medium of Instruction:
English
PhD Biotechnology (6 semester duration)

About the Course

PhD Biotechnology aims to develop hard core specialization in a single area of biotechnology as applicable to medicine, agriculture, environment, nutraceuticals, functional food and animal sciences.

Career Prospects

The curriculum imparts training in both theory and research aspects of biotechnology. Each research project is adequately supported by trained faculty and state of the art laboratories in the area of Biotechnology, Animal Biotechnology, Virology & Immunology and embryo biotechnology. The programme has a well conceived curriculum so as to fulfill the requirement for higher academic pursuits in Biotechnology.

Name of the course:
This course is named as Doctor of philosophy in Biotechnology.

Duration of the course:
The Course shall be of 3 years duration under semester system and shall be completed in 6 (six) semesters.

Eligibility for admission:
Masters degree in life sciences/biotechnology/veterinary science/fishery science with at least 55% marks in aggregate (50% in case of SC/ST candidates)

Selection procedure for admission:
Selection criteria for admission shall be on merit basis. Additional seats may be created for the candidates with fellowship from ICAR/DST/DBT/UGC/CSIR or any other funding agency.

Maximum intake capacity:
5 (five)

Medium of Instruction:
English
IMPORTANT INSTRUCTIONS

1. Candidates are advised to read the instructions given in the brochure very carefully. The application form must be completed in all respects. **Incomplete/unsigned/mutilated application form without photograph will be out-rightly rejected and the fee deposited will not be refunded.**

2. **Original documents or their Photostat copies should not be enclosed along with application form. Original certificates will have to be produced at the time of counseling.**

3. Concealing of any information will be treated as misconduct and action will be taken as per the Rules of the University. Admission of such candidate(s) would be cancelled.

4. **All admissions shall be made provisionally and the University reserves the right to cancel any admission granted to a candidate without assigning any reason thereof.**

5. Application form should be filled-up very neatly and clearly by the candidate himself/herself in their own handwriting. Over writing/cutting on the application form is not be allowed.

6. The candidate should get the application form attested from the Principal of the last college attended or a Gazetted Officer.

7. The applicant should fully ensure before dispatching the application whether he/she fulfills the eligibility requirement for admission as the fees once paid shall not be refunded in the event of rejection.

8. Applicant is advised to clearly mention his/her complete mailing address neatly in the columns provided in the application form, acknowledgement card and envelops.

9. **Last date of submitting completed Application Form for B.Sc. courses is 31-07-2014 by 5.00 P.M. and M.V.Sc., M.Sc. and Ph.D. Courses is 25.08.2014 by 5.00 P.M. Applications received after last date as mentioned will not be entertained and no claim what-so-ever can be made for such applications.**

10. Candidates are advised, in their own interest, to submit their application form under registered cover/Speed Post or deliver personally in the office of the Registrar.

11. The University will not be responsible for any postal/unforeseen delay/loss in transit in respect of submission of duly filled application forms.
12. The decision of the University in all matters related to Admission shall be final.
13. Candidate seeking reservation should clearly mention their category/sub-category in column provided in the application form.
14. A candidate who has been punished at any time in his/her earlier academic career for having taken part in act of indiscipline or use of unfair means during examination will be refused admission. In case, he/she secures admission by concealing facts or by any mistake of the office, the admission will be cancelled as and when the facts are detected/ brought to the notice of University.
15. Application forms of those candidates who do not fulfill the eligibility criteria will be rejected.
16. A candidate is required to submit SEPARATE application form for each course program.
17. Application form must be sent in original and duly completed in all respect. Photostat/Xerox copies/Fax copies of filled application forms will be rejected.
18. A counseling fee of Rs 200 will be charged at the time of counseling.
19. CHECK LIST: The following enclosures should be sent to Deputy Registrar, Veterinary University (DUVASU), Mathura-281001 U.P.
   1. Dully filled up and signed APPLICATION FORM
   2. A demand Draft of Rs 1000/- In favor of ‘Finance Officer, DUVASU, Mathura’ (if application form is downloaded from the website of the University).

</table>
Notes:

1. The Academic Council is the supreme academic authority to frame rules and regulations, increase/decrease the admission capacity and to decide all other matters relating to admission and academic affairs.

2. All the programs of the University are full time programs. A student, therefore, cannot take admission in more than one program simultaneously.

3. The reservation policy of U.P. Government will be followed. However if the seats in the reserved categories remain vacant, they will be filled by the candidates from unreserved category.

4. The admission to all programs of the University shall be made by the Registrar, who reserves the right to cancel the admission obtained by misrepresentation / concealment of facts or admission made due to error/oversight, etc.

5. The medium of Instruction/Teaching/Evaluation will be English only.

6. For In-Service Candidates the number of seats for PhD program may be increased over and above.

8. The admission shall be subject to production of medical fitness certificate from the Chief Medical Officer Mathura.

9. The candidates once allotted a seat in any programme of the University shall be required to deposit the fees on the date of admission. The selection of a candidate, who does not deposit the fee after allocation of the seat, shall stand cancelled automatically.

10. Hostel accommodation will be provided subject to availability.

11. The merit of the candidates for B.Sc. programs will be decided on the basis of marks obtained in the Physics, Chemistry and Biology subjects in the qualifying examination. If the merit found to be similar in that case following criteria will be adopted to decide the merit:

   1. Aggregate percentage of marks in the qualifying examination.
   2. Aggregate percentage of marks in the lower examination i.e. High school examination
   3. Age

12. Approximately 5 times of the seats available will be called for counseling as per the category wise merit lists of the candidates.

ANNEXURE-I
U.P. Pt. Deen Dayal Upadhyaya Pashu Chikitsa Vigyan Vishwavidyalaya
Evam Go Anusandhan Sansthan, Mathura

MEDICAL CERTIFICATE OF CANDIDATES ADMITTED TO B.Sc. /M.Sc./M.V.Sc /Ph.D. COURSE AT
THE COLLEGE OF BIOTECHNOLOGY MATHURA

I do hereby certify that I have examined Sri………………………………………………… a candidate
for admission to the College of Biotechnology,DUVASU, Mathura and cannot discover that he has any
disease, constitutional weakness of bodily infirmity
except……………………………………………………………………………

I do not consider this a disqualification for his admission as a veterinary student.

Eye Examination   Vision with glasses   without glasses corrected

Right Eye
Left Eye
Height
Weight

His/her age according to his own statement is ..........................years and by appearance
about..............................years.

He/she has been vaccinated or protected against typhoid and small pox

Personal marks of identification………………………………………………………………………

Signature of the candidate in full

Place.................................

Date.................................

(Signature and Designation of Examining Officer)
(Official Seal)

NOTES:-
1. This certificate should be signed by the C.M.O, Mathura or his nominee and his office seal must be affixed
   below his signature.
2. The Examining Officer should satisfy himself that lung are healthy in every respect and that the candidate
   has no organic diseases of the heart or any evidence of nervous disease e.g. epilepsy or wasting diseases
   etc. Candidates having less than 100 lbs. Weight should be given a certificate that he/she is likely to fulfill
   it and gain weight.
3. The candidate found unfit at the medical examination will not be allowed admission in the college.
ANNEXURE-II

AFFIDAVIT BY THE STUDENT

(TO BE SUBMITTED AT THE TIME OF COUNSELING)

1. (Full name of student with admission/registration/enrolment number)………………………S/o D/o Mr./Mrs/Ms……………………………..having been admitted to…………………………
(Name of the institution) have received a copy of the UGC Regulation on Curbing the Menace of Ragging in Higher Educational Institutions, 2009, (herein after called the “Regulations”) Carefully read and fully understood the provisions contained in the said Regulations.

2. I have, in particular, perused clause 3 of the Regulations and am aware as to what constitutes ragging.

3. I have also, in particular, perused clause 7 and clause 9.1 of the Regulations and am fully aware of the penal and administrative action that is liable to be taken against me in case I am found guilty of or abetting ragging, actively or passively, or being part of a conspiracy to promote ragging.

4. I hereby solemnly aware and undertake that

   a) I will not indulge in any behaviour or act that may be constituted as ragging under clause 3 of the Regulations

   b) I will not participate in or abet or propagate through any act of commission or omission that may be constituted as ragging under clause 3 of the Regulations.

5. I hereby affirm that, if found guilty of ragging, I am liable for punishment according to clause 9.1 of the Regulations. Without prejudice to any other criminal action that may be taken against me under any penal law for the time being in force.

6. I hereby declare that I have not been expelled or debarred form admission in any institution in the country on account of being found guilty of, abetting or being part of a conspiracy to promote, ragging; and further affirm that, in case of the declaration is founded to be untrue, I am aware that my admission is liable to be cancelled.

ANNEXURE-V
अम्बियंतियों द्वारा नहत जाने वाला गैप शपथ पत्र

समक्षः कुंशसिव, उज्जैल पंडित दीनदयाल उपाध्याय पण्डितमंडल विज्ञान विभाग विश्वविद्यालय एवं गी-अनुसंधान संस्थान, मुंबई।

शपथ पत्र द्वारा श्री/श्रीमती/कु............................................पुत्र/पुत्री........................................................ निवासी...........................................................

 मै शपथकर्ता/शपथकर्ती सशस्त्र निम्नलिखित कथन करता/करती हूँ—

1. यह कि शपथकर्ता/शपथकर्ती उपस्थित पत्र का स्थायी निवासी है तथा हालचाल शपथपत्र से बखूबी वाकिफ है।

2. यह कि शपथकर्ता/शपथकर्ती ने हाईस्कूल की परीक्षा सन......... में उत्तीर्ण की है।

3. यह कि शपथकर्ता/शपथकर्ती ने इंटरमीडिएट की परीक्षा सन......... में उत्तीर्ण की है।

4. यह कि शपथकर्ता/शपथकर्ती ने सन....................... में इंटरमीडिएट की परीक्षा उत्तीर्ण करने के उपरांत आज तक किसी भी सरकारी या गैर सरकारी शिक्षण संस्थान में प्रवेश नहीं लिया है। सन............... से............................ तक घर पर रहकर प्रतियोगी परीक्षाओं की तैयारी की है।

 मै शपथकर्ता/शपथकर्ती उपस्थित सशस्त्र तद्दीर करता/करती हूं कि मजमून शपथपत्र की धारा 1 लगायत 4 में निजी जानकारी में सच व सही है इसमें न कुछ झूठ है और न ही कोई तथ्य ढियाया ही गया है।

शपथकर्ता/शपथकर्ती
