### **List of Thesis (2001 -2019)**

# (A). College of Veterinary Science and Animal Husbandry

#### 1- Animal Genetics and Breeding:

| Sl.<br>No. | Title   | Name of Scholar             | Name of Major<br>Guide | Year | Remarks |
|------------|---|-----------------------------|------------------------|------|---------|
|            | M.V.Sc.   |                             | <u> </u>               |      |         |
| 1          | Molecular characterization of casein polymorphism in Indian goat breeds   | Dr. Prakash Kumar           | Dr. S.N. Shukla        | 2002 |         |
| 2          | Genetic study on the reproductive traits of Hariyana cows   | Dr. Ashish Kumar Srivastava | Dr. K.C. Sharma        | 2002 |         |
| 3          | Assessing genetic diversity among some livestock species through dna markers  | Dr. Sanjeev Kumar Agarwal   | Dr. R.C. Sharma        | 2002 |         |
| 4          | Genetic study of production efficiency and reproduction efficiency traits in sahiwal cattle maintained in northern Indian plane | Dr. Deepak Bhatia           | Dr. V.K. Arora         | 2002 |         |
| 5          | Serum lysozyme a marker for enhancing immunocompetence in goat  | Dr. Prakash Chand Sharma    | Dr. S.N. Shukla        | 2003 |         |
| 6          | Genetic and phenotypic studies on the persistency of milk production in murrah buffalo  | Dr. Kailash Chandra         | Dr. R.C. Sharma        | 2004 |         |
| 7          | leptin gene polymorphism in Indian goat breeds  | Dr. Shivendra Kumar Singh   | DR. S.N. Shukla        | 2005 |         |
| 8          | Role of male germ plasm in conservation of bhadawari buffalo  | Dr. Amitosh Kumar           | Dr. K.C. Sharma        | 2005 |         |
| 9          | Genetic evaluation of sahiwal cattle using animal model   | Dr. Govind Narayan Tiwari   | Dr. H.N. Singh         | 2006 |         |
| 10         | Genetic study on growth characters in Hariyana cattle   | Dr. Ved Prakash Rai         | Dr. R.C. Sharma        | 2007 |         |
| 11         | Studies on MHC haplotyping in guinea fowl and its association with general immunocompetence                                     | Dr. Atul Gupta              | Dr. H.N. Singh         | 2008 |         |
| 12         | Immunocompetence profiling and DNA Polymorphism in disease resistance genes in aseel and kadaknath native chickens              | Dr. Parmatma Singh          | Dr. H.N. Singh         | 2008 |         |
| 13         | Genetic studies on some economic traits of Sahiwal cattle   | Dr. Amita Sharma            | Dr. K.C. Sharma        | 2009 |         |
| 14         | Role of semen additive in improving the keeping quality of buffalo on the morphology of spermatozoa                             | Dr. Sumati Kumar            | Dr. K.C. Sharma        | 2009 |         |
| 15         | Evaluation of Sahiwal sires on the basis of early production performance of their daughter's                                    | Dr. Sumit Kumar             | Dr. K.C. Sharma        | 2009 |         |
| 16         | Genetic studies on reproduction traits in Gangatiri cattle breed  | Dr. Ramsahay Yadav          | Dr. Deepak Sharma      | 2011 |         |
| 17         | Genetic studies on reproduction traits of Gangatiri cattle  | Dr. Umakant Jaiswal         | Dr. K.K. Chauhan       | 2011 |         |
| 18         | Comparison of various methods for efficient sire evaluation and genetic study of different economic traits in Sahiwal cattle    | Dr. Peaush Kumar singh      | Dr. V.K. Singh         | 2011 |         |
| 19         | The study of PIT-1 gene polymorphism in Sahiwal cattle by using PCR-RFLP  | Dr. Ankur Chauhan           | Dr. Madhu Tiwari       | 2013 |         |
| 20         | Genetic polymorphism in Prolactin Receptor (PRLR) and Growth Hormone Receptor (GHR) gene in Sahiwaland Hariana Cattle           | Dr. Gaurav Prihar           | Dr. Deepak Sharma      | 2016 |         |
| 21         | Molecular characterization and polymorphic studies of Secreted phosphoprotein 1 (SPP1) gene in Indian cattle                    | Dr. Mona Sharma             | Dr. S.P. Singh         | 2017 |         |

|   | Ph. D  |                  |                   |      |  |  |  |
|---|--|------------------|-------------------|------|--|--|--|
| 1 | Sire evaluation for early and life time economic traits and development of selection criteria in Sahiwal cattle.                           | Dr. V.K. Singh   | Dr. H.N. Singh    | 2004 |  |  |  |
| 2 | Studies on genetic resistance of small ruminants to natural infection with gastrointestinal nematode                                       | Dr. K.K. Chauhan | Dr. S.N. Shukla   | 2007 |  |  |  |
| 3 | Genetic architecture of DRB-3 gene in cross breed cattle   | Dr. A.K. Ghosh   | Dr. S.N. Shukla   | 2009 |  |  |  |
| 4 | Genetic polymorphism of prolactin and leptin gene and their association with production and Reproduction traits in sahiwal cattle in India | Dr. Sumit Kumar  | Dr. Deepak Sharma | 2015 |  |  |  |

# 2- Animal husbandry and Veterinary Extension:

| Sl. | Title  | Name of Scholar            | Name of Major Guide     | Year | Remarks |
|-----|--|----------------------------|-------------------------|------|---------|
| No. |  |                            |                         |      |         |
|     |  | M.V.Sc.                    |                         |      |         |
| 1   | Impact assessment of livestock services delivery among livestock owners in Mathura district of Uttar Pradesh | Dr. Dharmendra Kumar Gupta | Dr. Sanjeev Kumar Singh | 2014 |         |
| 2   | A Comparative study to assess role of information and communication technology (ICT) among livestock owners  | Dr. Rajiv Nayan            | Dr. Sanjeev Kumar Singh | 2016 |         |
| 3   | Impact Study On Livestock Insurance In Mathura District  | Dr. Jitender Kumar         | Dr. Sanjeev Kumar Singh | 2016 |         |
| 4   | Entrepreneurial & Adoption Behaviour of Rural Youth in Animal Husbandry practices                            | Dr. Sandeep Sharma         | Dr. Sanjeev Kumar Singh | 2018 |         |
| 5   | Study On Dairy Production Scenario In The Urban And Peri Urban Areas:<br>A Exploratory Study                 | Dr. Shivani Singh          | Dr. Amit Singh          | 2018 |         |
| 6   | Analytical study of women entrepreneurial activities involved in dairying entereprise                        | Dr. Deepanka               | Dr. Amit Singh          | 2018 |         |

### 3- Animal Nutrition:

| Sl. | Title   | Name of Scholar    | Name of Major Guide | Year | Remarks |  |  |
|-----|---|--------------------|---------------------|------|---------|--|--|
| No. |   |                    |                     |      |         |  |  |
|     | M.V.Sc.   |                    |                     |      |         |  |  |
| 1.  | Utilization of nutrient from all roughage ration in hariana calves.   | Dr. Jagdish Prasad | Dr. I.A. Siddiqui   | 2001 |         |  |  |
| 2.  | Utilization of nutrients from ammoniated crop residues in crossbred calves.   | Dr. Dr.R.Sharma    | Dr. I.A. Siddiqui   | 2001 |         |  |  |
| 3.  | Effect of feeding various grain less concentrate mixture and wheat straw on digestibility and growth rate in bhadabari buffalo bull calves. | Dr. S.K.Sharma     | Dr. I.A. Siddiqui   | 2002 |         |  |  |

| 4.  | Effect of different grazing systems on rumen microbial population and fermentation pattern in goats.   | Dr. Laxman Singh          | Dr. I.A. Siddiqui  | 2002 |
|-----|--|---------------------------|--------------------|------|
| 5.  | Comparative studies on the effect of feeding complete ration vis-à-vis conventional ration based on urea-treated wheat straw in nutrient utilization and rumen metabolism in crossbred cattle. | Dr. Ila Pande             | Dr. I.A. Siddiqui  | 2002 |
| 6.  | Effect of different level of shilajit feeding in broilers.   | Dr. S.K. Tiwari           | Dr. Aditya Kumar   | 2005 |
| 7.  | Effect of graded level of phosphorus on different body parameters in young barbari goats   | Dr. A.K. Jain             | Dr. Aditya Kumar   | 2005 |
| 8.  | Effect of supplementation different level & sources of selenium on the performance of guinea pigs.   | Dr. Mahima                | Dr. G.K. Mittal    | 2006 |
| 9.  | A study of replacement of maize by sorghum and pearl millets and their effect of on growth performance of boilers chickens.  | Dr. S.K. Singh            | Dr. S.D. Singh     | 2006 |
| 10. | Comparative studies on supplementation of different herbal liver stimulant on growth performance of boilers.   | Dr. D.S. Rajput           | Dr. S.D. Singh     | 2006 |
| 11. | Performance of guinea pig on different rations.  | Dr Vivek Gupta            | Dr Aditya Kumar    | 2007 |
| 12. | Use of different level of shilajit as growth promoter in broilers.   | Dr Dharmendra Vyas        | Dr Aditya Kumar    | 2007 |
| 13. | Effect of multienzyme levels on the performance of commercial broilers.  | Dr Sudhir Kr. Radhor      | Dr Aditya Kumar    | 2007 |
| 14. | Effect of calf starter and soy powder on the performance and rumen microfora of preweaning calves.   | Dr Lokendra Kumar         | Dr Aditya Kumar    | 2007 |
| 15. | Effect of different levels of crude fibre on the growth of weaned rabbits.   | Dr M. M. Patel            | Dr Aditya Kumar    | 2008 |
| 16. | Screening of medicinal plant as herbal feed additive by in-vitro gas production test   | Dr Jyoti Sachan           | Dr Ravindra Kumar  | 2011 |
| 17. | Manipulation of dietary cation-anion difference to reduce nutrient deficiency in periparturient cows   | Dr Bokan Abhay Mohan Rao, | Dr. Vinod Kumar    | 2013 |
| 18. | Effect of strategic mineral mixture supplementation on nutrient utilization and blood mineral profile of heifers.  | Dr Vivek Prasad Gupta     | Dr. Vinod Kumar    | 2013 |
| 19. | Effect of supplementing rumen-protected lysine and methionine on growth performance and nutrient utilization of growing Hariana cattle.  | Dr Jai Kumar Singh        | Dr Debashis Roy    | 2013 |
| 20. | Effect of feeding spent wash on growth performance and nutrient utilization in growing cattle.   | Dr. Pradeep Kr Kesharwani | Dr. Vinod Kumar    | 2015 |
| 21. | Effect of Feeding Different Levels of <u>Azolla Pinnata</u> on Growth Performance and Carcass Characteristics of Broiler Chicken.  | Dr Deepesh Bharat Mishra  | Dr Debashis Roy    | 2015 |
| 22. | Effect of feeding biomethanated spent wash on growth and nutrient utilization in growing cattle  | Dr Sanjay Singh           | Dr Muneendra Kumar | 2015 |
| 23. | Effect of different sources of chromium on growth performance, nutrient utilization and blood biochemical parameters in growing cattle   | Dr Anchal Keshri          | Dr Debashis Roy    | 2016 |
| 24. | Effect on neem oil on growth performance of heifers feed urea based diet   | Dr. Takshi Raheliya       | Dr. Vinod Kumar    | 2017 |

| 25. | Growth performance, nutrient utilization and blood biochemicals of heifers supplemented with organic   | Dr. Santosh Kumar Yadav | Dr. Debashis Roy    | 2017 |
|-----|--|-------------------------|---------------------|------|
| 26. | Residual feed intake as a feed efficiency selection tool and its relationship with ingestive behavior, nutrient utilization and specific blood metabolites in dairy calves | Dr. Anil Kumar Singh    | Dr. Muneendra Kumar | 2017 |
| 27. | Investigation Of The Effects Of Dietary Nickel Supplementation On The Performance Of Growing Heifers   | Dr. Anuj Singh          | Dr. Muneendra Kumar | 2018 |
| 28. | Effect of Vanadium supplementation on performance of indigenous heifers  | Dr. Praveen Kumar Gupta | Dr. Shalini Vaswani | 2018 |
| 29. | Effect Of Supplementing Ashwagandha (Withania Somnifera) Root Powder<br>On Growth Performance, Nutrient Utilization And Blood Biochemicals Of<br>Indigenous Dairy Heifers  | Dr. Sandeep Bana        | Dr. Debashis Roy    | 2018 |
| 30. | Effect of varying dietary neutral detergent fibre levels on growth performance of heat stressed heifers  | Dr. Vivek Kumar Yadav   | Dr. Vinod Kumar     | 2018 |
| 31. | Effect of replacing protein source in concentrate mixture with dried Moringa oleifera leaf powder on the performance of Barbari bucks                                      | Dr. Anuj Dubey          | Dr. Shalini Vaswani | 2019 |
| 32. | Effect Of Green Fodder Replacement With Corn Silage On Residual Metabolizable Feed Consumption (Rmfc) In Growing Cattle  | Dr. Ashwani Kumar Verma | Dr. Muneendra Kumar | 2019 |
| 33. | Effect of inorganic and nano zinc supplementation on performance and immune response in growing heifers  | Dr. Sharish Kumar       | Dr. Vinod Kumar     | 2019 |
| 34. | Effect Of Different Organic Acids And Their Combinations On Silage Quality, Feed Intake And Growth Performance Of Indigenous Heifers                                       | Dr. Vivekanand          | Dr. Muneendra Kumar | 2019 |
|     |  | Ph.D                    |                     |      |
| 1   | Chromium picolinate supplementation to layers and broilers for designer eggs and designer broiler meat production.   | Dr. Jyoti Palod         | Dr Aditya Kumar     | 2009 |
| 2   | Evaluation of different varieties of maize for their composition, in vitro rumen fermentation and production performance in lactating cows                                 | Dr. Shalini Vaswani     | Dr Ravindra Kumar   | 2013 |
| 3   | Effect of formaldehyde treated mustard oil cake on nutrient utilization and growth performance in heifers.   | Dr. Mahima              | Dr Santosh Kr Tomar | 2014 |

#### 4- <u>Livestock Production Management:</u>

| Sl. | Title  | Name of Scholar   | Name of Major Guide  | Year | Remarks |  |
|-----|--|-------------------|----------------------|------|---------|--|
| No. |  |                   |                      |      |         |  |
|     | M.V.Sc.  |                   |                      |      |         |  |
| 1   | Study of environmental sound on reproductive performance of Hariana    | Dr. Archana Yadav | Dr. Yajuvendra Singh | 2015 |         |  |
|     | bulls  |                   |                      |      |         |  |
| 2   | Study of environmental sound on performances and activities of Hariana | Dr. Garima Shukla | Dr. Yajuvendra Singh | 2016 |         |  |
|     | cows during transition period  |                   |                      |      |         |  |

| 3 | Study of occurrence of differential patterns of genital prolapse in          | Dr. Kulsendra Singh       | Dr. Yajuvendra Singh | 2017 |
|---|--|---------------------------|----------------------|------|
|   | indigenous cows  |                           |                      |      |
| 4 | Study of urine, saliva and vaginal mucus discharge as bioindicator of estrus | Dr. Krishan Kant Dhakar   | Dr. Yajuvendra Singh | 2017 |
|   | in dairy animals   |                           |                      |      |
| 5 | Impact of supplementation of lukewarm water during winter season on          | Dr. Dikshant Kanwar       | Dr. Yajuvendra Singh | 2018 |
|   | performances of dairy cows   |                           |                      |      |
| 6 | Effect of floor type on performance of Sahiwal heifers                       | Dr. Akansha Gurung        | Dr. Rajneesh Sirohi  | 2019 |
|   |  |                           |                      | ·    |
|   |  | Ph.D.                     |                      |      |
| 1 | Effect of light programme and stocking density on performance of turkey      | Dr. Rajnish Sirohi        | Dr. P.K. Shukla      | 2017 |
|   | (Meleagris gallopavo)  |                           |                      |      |
| 2 | Growth Performance and Carcass Characteristics of Coloured Chicken Fed       | Dr. Sandeep Singh Kashyap | Dr. P.K.Shukla       | 2017 |
|   | on Diets Containing Azolla (Azolla pinnata) and Supplemental Chromium        |                           |                      |      |
| 3 | Modulation of growth and immunity by dietary supplementation of sea          | Dr. Deep Narayan Singh    | Dr. P.K. Shukla      | 2019 |
|   | buckthorn leaf meal in coloured breeder and their post -hatch chicks in      |                           |                      |      |
|   | different seasons  |                           |                      |      |

#### 5- <u>Livestock Products Technology: M.V.Sc.(File updated)</u>

| Sl. | Title   | Name of Scholar           | Name of Major Guide | Year | Remarks |  |  |
|-----|---|---------------------------|---------------------|------|---------|--|--|
| No. |   |                           | -                   |      |         |  |  |
