

VIRTUAL CONFERENCE

6th Biennial Conference of PAi
&
International Symposium
on

Psychobiotics and Gut: Potential
in Neurological Disorders

December 5-6, 2022

Organized by

Probiotic Association of India

in association with

ICAR-National Dairy Research Institute, Karnal

&

DUVASU, Mathura

Organizing Secretaries

Sarvajeet Yadav, PhD
Professor & Head
DUVASU, Mathura

Jai K Kaushik, PhD
Principal Scientist
ICAR-NDRI, Karnal

Aim of the Conference

The 6th PAi conference and the International Symposium on “Psychobiotics and Gut” is going to be organized by PAi in association with ICAR-NDRI, Karnal and DUVASU, Mathura during 5th to 6th December, 2022. The aim of the conference is to highlight the connection between the gut microbiota and neurological conditions and the potential of psychobiotics in managing the neurological diseases like Parkinson, Alzheimer, Autism and Autism Spectrum disorders, Stress, Anxiety and depressive symptoms and improve cognition and social anxiety. Recent research on gut microbiota and brain function has shown that manipulation of gut microbiota possesses the potential to improve the life of people suffering with neurodevelopmental and neurodegenerative diseases. The symposium will provide a platform to discuss the current research breakthroughs on the role of psychobiotics in the management of neurological disorders highlighting the gut- brain axis.

About PAi

Probiotic Association of India (PAi) registered as a society with effect from Dec. 8, 2010 is a scientific forum dedicated to promote the probiotic science in India as well as to create consumer awareness about the health promoting attributes of probiotics. In past, PAi has organized five International symposia on various thematic areas like Probiotics for Human Health - New Innovations and Emerging Trends (2012), Probiotics and Microbiome: Gut and Beyond (2014), Stress, Microbiome & Probiotics (2016), Probiotic Therapy: Translating to Health & Clinical Practice (2018), and Probiotics & Immunity: Way forward to Microbial Therapy (2020). In addition, PAi supports Universities and Institutes across India to organize National seminars and workshops on various facets of probiotics.

Participation and Registration

- Participation in the virtual conference will be through invitation to those who register themselves on the conference website.
- **There is No Registration Fee for attending the conference or poster presentation.**
- E-certificate will be provided to the registered delegates who participate on both the days in the conference.
- For registration or submission of abstract, please visit the conference website (**site will be active on 1 Nov 2022**)

<https://paiconference.probioticindia.in/>

E-poster Award

There will be best poster awards. Anyone can participate in the competition by uploading the abstract and poster on conference website. The work presented in the e-poster can be in the area of the Probiotics and their functional properties like their role in regulation of nervous system, gut-brain axis, neurological development and disorders, metabolic diseases, immunity. anti-pathogenic property, cancer and other health promoting effects. The participants should submit an abstract of approximately 300 words in a structured format like Introduction/problem, methods, results & discussion and conclusion. The poster can be uploaded in JPG or PNG picture format (Width 36 inch X Height 48 inch) on the conference website during registration process. More details about the preparation of e-poster can be seen on conference website <https://paiconference.probioticindia.in/>

The abstract and poster submission will be open on website from 1 November through to 25 November 2022, the last day of submission. Registration without poster/abstract will be open till 30 November 2022.

SPEAKERS

Prof. RAKESH K CHADDA, All India Institute of Medical Sciences, New Delhi, India
Talk title: Psychobiotics and Mental Health

Prof. KHALID SHAH, Harvard University, Boston, USA
Talk title: Gut Microbiome: Reshaping Therapy Paradigm in CNS and beyond

Prof. SHEFFALI GULATI, All India Institute of Medical Sciences, New Delhi, India
Talk title: Gut brain Axis: Role of probiotics in Neurological and neurodevelopmental disorders including Autism Spectrum Disorder

Dr. RITUSHREE KUKTERI, CSIR-Institute of Genomics and Integrative Biology, New Delhi, India. **Talk title:** Therapeutic effect of cyclooxygenase-2 inhibitors and probiotic supplementation in epilepsy

Dr BHAVUK GARG, Lady Harding Medical College, New Delhi, India
Talk title: Psychobiotics in Schizophrenia

Dr. BHABATOSH DAS, Translational Health Science and Technology Institute (THSTI), Faridabad, India. **Talk title:** Genome editing for Next-Gen probiotics

Prof. KATIA SIVIERI, Universidade Estadual Paulista, Sao Paulo, Brazil
Talk title: Probiotics for Autism

Dr. MICHAEL BAILEY, Nationwide Children's Hospital, Columbus, Ohio, USA
Talk title: Probiotics and psychological stress and anxiety

Prof. LYNNE BARKER, Sheffield Hallam University, UK
Talk title: The gut brain axis and microbiome - looking outside the brain in neurological conditions (Parkinson's disease)

Prof. SAM SISODIA, Dept of Neurobiology, University of Chicago, Illinois, USA
Talk title: Role of the gut microbiome in modulation of Alzheimer's-type pathology in mouse models

Prof. JACOB RABER, Oregon Health & Science University, Portland, OR, USA
Talk title: Role of the gut microbiome in mouse models of neurodegenerative disorders

Dr. KATHRIN COHAN KADOSH, University of Surrey, UK
Talk title: Using prebiotic interventions improve anxiety and well-being in children, adolescent and adults

Prof SUSANNA MARIA ROBERTA ESPOSITO, Dipartimento di Medicina e Chirurgia, Universita Di Parma, Italy

Organizing Committee

- **Dr. N. K. Ganguly**, Former Director General, Indian Council of Medical Research, India
- **Dr. V. M. Katoch**, Former Director General, Indian Council of Medical Research, India
- **Dr. A. K. Srivastava**, President PAi & Vice Chancellor, DUVASU Mathura & Former Director, ICAR-NDRI
- **Dr. B. Sesikeran**, Vice President PAi & Former Director, National Institute of Nutrition, Hyderabad
- **Dr. V. Prakash**, Former Director, Central Food Technology Research Institute, Mysore
- **Dr. Dheer Singh**, Director, ICAR-NDRI
- **Dr. Rama Chaudhry**, Head, Dept of Medical Microbiology, All India Inst of Medical Sciences, New Delhi
- **Dr. Sunita Grover**, Vice President, PAi & Former Head, Dairy Microbiology Division, ICAR-NDRI, Karnal
- **Dr. Neerja Hajela**, Head, Science, Yakult Danone India Private Ltd.
- **Prof. Sarvajeet Yadav**, Head, Dept of Physiology, DUVASU, Mathura (**Org Secretary**)
- **Dr. J. K. Kaushik**, Secretary, PAi & Principal Scientist, ICAR-NDRI, Karnal (**Org Secy**)
- **Dr. Diwas Pradhan**, Treasurer, PAi & Scientist, ICAR-NDRI, Karnal (**Jt Org Secretary**)
