From the Desk of Vice Chancellor

Dear Esteemed Colleagues and Students,

It gives me immense pleasure to share with you the latest edition of our University Newsletter, highlighting the dynamic academic and extracurricular activities from July to December, 2024. This period has been marked by significant achievements, reflecting our collective dedication towards excellence. We secured the top rank in India for Animal Sciences category in Edu Rank 2024.

Our faculty and students had actively been engaged in a series of impactful events, highlighting the University's diverse and far-reaching initiatives. Counseling programs for admission in various under graduate courses of the university was conducted smoothly. We adhered strictly to the merit and reservation policies. The progress and milestones achieved by the university was highly appreciated by Hon'ble Chief Minister of Uttar Pradesh.

Investors' awareness program was organized for our teaching as well as non teaching faculty to make them aware about financial literacy and constitution day was celebrated to enlightened the students on legal aids provided to the underprivileged section of the society. "Ek ped Maa ke naam" initiative of Hon'ble Prime Minister was followed as a tree plantation campaign in our university to make our campus clean and green.

A series of national conferences have brought together the researchers on a single platform to discuss the advances in Veterinary and Animal Sciences. These conferences have not only excavated our understanding but have also set the stage for advanced research that will shape the future of our field.

We have also celebrated our national heritage and cultural events with great enthusiasm, fostering a sense of unity and pride among us all. The Independence Day was marked by a vibrant display of patriotism and cultural reverence, reminding us of the values that bind us together as a nation and as an academic institution.

Furthermore, our commitment to community outreach was exemplified through various initiatives, including National Milk Day celebration to promote clean milk production by dairy farmers. These efforts underscore our dedication to not only advancing academic knowledge but also to making a tangible difference in the lives of those around us. As you peruse this newsletter, I encourage you to reflect on the achievements documented within and consider how you might contribute to our ongoing mission of excellence in teaching, research, extension and extracurricular activities. Together, let us continue to build on the strong foundation we have established and strive towards even greater heights in the months ahead.

A. K. Srivastava
(A. K. Srivastava)

Top Ranked Animal Science University in Edu-Ranking

U.P. Pandit Deen Dayal Upadhyaya Pashu Chikitsa Vigyan Vishwavidyalaya Evam Go-Anusandhan Sansthan, Mathura, secured the top rank in India for Animal Sciences category in Edu Rank 2024. It evaluated over 14,000 universities across 183 countries worldwide. The university secured first position in India, 16th in Asia and 143rd globally in Animal Science category. Hon'ble Vice-Chancellor, Prof. A.K. Srivastava credited this achievement to the hard work and dedication of faculty, staff, and students in teaching, research, and various outreach programs. This milestone reinforced the leading status of the institution in veterinary education and research.

"One Tree for Mother" Campaign

"Ek ped Maa ke naam" initiative of Hon'ble Prime Minister was followed as a tree plantation campaign in our university. The event was graced by Shri Chaudhary Laxmi Narayan Singhji, Minister of sugar mill and sugarcane development, Government of Uttar Pradesh as chief guest. The chief guest emphasized the importance of tree plantation for a healthier and greener earth. Addressing the gathering, the Hon'ble Minister highlighted the vital role of trees in sustaining life and urged everyone to plant and nurture at least one tree. Rajya Sabha MP Chaudhary Tejveer Singh echoed the sentiment, emphasizing the health benefits of a greener environment. District Magistrate Shailendra Kumar Singh outlined the campaign's ambitious target of planting 3.7 million saplings in Mathura, including species like peepal, banyan, kanji, jamun, and tamarind. The program inspired widespread participation, reinforcing the university's commitment to environmental sustainability.

78th Independence Day Celebration

Uttar Pradesh Pandit Deen Dayal Upadhyay Veterinary University, Mathura, celebrated the 78th Independence Day with enthusiasm. Hon'ble Vice-Chancellor Prof. A.K. Srivastava, the chief guest, narrated the heroic tales of martyrs in detail and urged everyone to pay tribute and honor to them by discharging their duties with full dedication and devotion. On this occasion Prof. Srivastava launched another plantation campaign and inaugurated the "A2 Genotype Testing Laboratory", "University Community Radio Station (107.8 MHz)" and "YouTube channel" to provide farmers information regarding animal care, agriculture practices, and weather updates from various experts of the related field. Prof. Srivastava emphasized these initiatives as milestones in connecting with the community, preserving cultural heritage, and advancing veterinary and agricultural practices.

UG Admission Counseling

Counseling for various undergraduate programs viz. Veterinary Science, Dairy Science, Fishery Science and Biotechnology was conducted smoothly on August 21st, 2024 in Uttar Pradesh Pandit Deen Dayal

Upadhyay Veterinary University, Mathura. A total of 215 seats were offered, including 85 for B.V.Sc.&A.H, 40 each for Dairy and Fishery Sciences and 50 for B. Tech Biotechnology. The program was conducted under the leadership of Hon'ble Vice-Chancellor Prof. Anil Kumar Srivastava. The Admission Committee adhered strictly to the merit and reservation policies.

Appreciation by Hon'ble Chief Minister of Uttar Pradesh, Sh. Yogi Adityanathji

Vice-Chancellor Prof. Anil Kumar Srivastava welcomed and greeted Sh. Yogi Aditya Nathji, Hon'ble Chief Minister of Uttar Pradesh during his visit to Mathura on August 25th- 26th, 2024. Prof. Srivastava briefed him about the progress made and milestones achieved by the university. The Chief Minister emphasized on advancing animal welfare issues by ensuring availability of high-quality fodder, cost-effective feed, and superior germplasm for improvement or up gradation of indigenous breeds. He also stressed for research on problems of infertility in animals, its prevention and treatment. Hon'ble Chief Minister suggested to seek administrative approval of Government for faculty recruitments in the new colleges and planted Rudraksha tree in campus. Commending the efforts of the University, he extended his best wishes for its continued success in veterinary education and research.

Probiotic Awareness Day Celebration

Probiotic Awareness Day was celebrated at DUVASU, Mathura, in collaboration with the Gut Microflora and Probiotic Science Foundation, on September 24th, 2024. The event was presided over by Hon'ble Vice-Chancellor Prof. Anil Kumar Srivastava at the

university auditorium. Over 500 students, teachers, and coordinators from 13 schools in Mathura participated. Prof. Srivastava highlighted the health benefits of probiotics, emphasizing their role in digestion and immunity. Students from Baldev Public School, Grace Convent, and St. Dominic School respectively, secured the top three positions for their presentations on applications of probiotics,. Winners received cash prizes, certificates, and trophies. Presence of Prof. N.K. Ganguly, Prof. J.B. Prajapati, and many other renowned personalities grace the event organized by Prof. Brijesh Yadav and Dr. Pawanjeet Singh. The event showcased the commitment of DUVASU towards the human health education and community engagement.

National Seminar in Livestock Product Technology

DUVASU, Mathura, hosted a three-day national seminar from September 26th-28th, 2024, focusing on excellence in hygienic livestock product technology and clean meat production. The event attracted over 200 scientists and experts from whole country. Hon'ble Vice-Chancellor, Prof. Anil Kumar Srivastava inaugurated the seminar, emphasizing the importance of livestock products like milk, eggs, and meat as sources of essential nutrients. He stressed adopting hygienic and systematic practices in meat production to ensure consumer health. Chief Guest Prof. Mandeep Sharma, Vice-Chancellor of Nanaji

Deshmukh Veterinary University, highlighted the importance of producing and processing livestock products, while experts like Dr. M.K. Chetli and Dr. S.K. Barbuddhe discussed global opportunities in livestock product processing. Organizing Committee Chairman Prof. Vikas Pathak outlined the seminar's goals, focusing on livestock technology as a sustainable business model for farmers. The event concluded with a vote of thanks by Organizing Secretary Dr. Meena Goswami.

Investors Awareness Program

An Investors Awareness Program, jointly hosted by DUVASU Mathura and Mutual Fund of India, was held on October 15th, 2024, at the university auditorium. The event was chaired by Hon'ble Vice-Chancellor Prof. Anil Kumar Srivastava. In his address, Prof. Srivastava underscored the importance of financial literacy for students and staff, aligning with UGC's initiatives to promote informed financial decisions. Chief Guest Shri Manoj Kumar, Executive Director of SEBI, detailed SEBI's role in regulating markets and protecting investors from fraud. Key speaker Shri Suryakant Sharma highlighted the value of small, consistent savings in building financial security. Five financially literate individuals from Mathura district were honored during this program, organized by Prof. A.K. Madan.

National Seminar in Veterinary Anatomy

DUVASU, Mathura, hosted a three-day National Seminar on Veterinary Anatomy, organized by the Department of Veterinary Anatomy, under the chairmanship of Hon'ble Vice-Chancellor Prof. Anil Kumar Srivastava. In this seminar 115 scientists from all over the country presented a total of 250 research papers. In his address, Prof. Srivastava highlighted the role of Veterinary Anatomy in enhancing livestock productivity and health. Chief Guest Dr. Shiv Prasad Kimothi, Member, ASRB, emphasized its importance in diagnosing and preventing diseases, while distinguished guest Prof. G.K. Singh underscored its relevance in understanding deformities and improving productivity. Experts, including Dr. Gyanendra Kumar Goud (ADG, ICAR) and Prof. P.V.S. Kishore (President, IAAO), discussed the economic significance of livestock and the critical role of anatomy in animal health. Prof. Vikas Pathak and Prof. M.M Farooqui outlined the seminar's agenda, while Prof. Archana Pathak shared insights on research contributions. The event witnessed enthusiastic participation from faculty, staff, and students.

Celebration of 23rd Foundation Day of University

The 23rd Foundation Day of Veterinary University, Mathura was celebrated with great enthusiasm on October 25th, 2024, under the dynamic leadership of Hon'ble Vice-Chancellor Prof. Anil Kumar Srivastava. Prof. Srivastava, enumerated the pivotal role of the university in advancing animal husbandry, a vital sector of agriculture that boosts farmers' incomes

and strengthens the Indian economy. He emphasized the importance of preserving indigenous animal breeds for their productivity, disease resistance, and climate adaptability. Chief Guest Dr. B.P. Mishra, Director of NBAGR, Karnal, stressed conserving indigenous germplasm and improving non registered breeds to enhance their resilience and productivity. The event was attended by former Vice-Chancellor Prof. G.K. Singh, deans of various colleges, faculty, staff, and students. Registrar, Prof. A.K. Madan shared the university's legacy, and Dr. Raju Kushwaha concluded the event with a vote of thanks.

National Symposium for Women Veterinarians

The 18th National Symposium of the Indian Association of Women Veterinarians (IAWV) Organization was inaugurated at DUVASU, Mathura, under the chairmanship of Hon'ble Vice-Chancellor Prof. A.K. Srivastava. The event highlighted the vital role of women veterinarians in veterinary science, education, research, and animal husbandry, especially in rural areas. In his address, Prof. Srivastava emphasized the significance of animal health and its impact on public safety and prosperity. Chief Guest Prof. Ashu Rani and Special Guest Dr. Manish Kumar Chetli discussed the importance of women veterinarians in empowering rural communities. Tulasimathi Murugesan, an under graduate student from Tamil Nadu Veterinary

University was honored with the 'Best Woman Veterinarian Award' for winning a silver medal in badminton at Paris Paralympics 2024, while Dr. Asha Rajani, India's first female veterinarian, was awarded with the 'Lifetime Achievement Award' during the symposium. Dr. Harshita Raghav, the first female veterinary captain in Indian Armed Forces, was also recognized for her exceptional contributions. The symposium concluded with a vote of thanks by Dr. Barkha Sharma.

24th National Symposium in Veterinary Pharmacology and Toxicology Department

The 24th National Symposium on Veterinary Pharmacology and Toxicology was hosted at DUVASU, Mathura under the dynamic leadership of Hon'ble Vice-Chancellor Prof. A.K. Srivastava. In his address, Prof. Srivastava stressed the importance of balanced nutrition, timely treatment, and proper use of veterinary medicines for optimal animal health and productivity. Chief Guest Dr. V.K. Taneja highlighted the risks of antibiotic misuse and its impact on human and animal health and urged adoption of judicious practices by the veterinarians. Special Guest Dr. Triveni Dutt underscored the significance of livestock health for ensuring high-quality products for human consumption, while Prof. Vikas Pathak emphasized promoting scientific animal husbandry techniques among rural farmers. The four-day symposium featured 250 research papers, summarized by Technical Secretary Prof. Amit Singh during valedictory session.

World Fisheries Day Celebration

It was celebrated by College of Fisheries Science, DUVASU Mathura on 21st November, 2024. Program was presided by Prof (Dr.) A.K. Srivastava, Hon'ble Vice Chancellor, DUVASU Mathura in gracious presence of Dr. A. K. Madan, Registrar; Dr. Vikas

Pathak, Dean COVSc & AH; Dr. Sarvajeet Yadav, Director Para Vety. Institute; Dr. Rashmi Singh, Dean CODSc, and other esteemed dignitaries of the University. Winner students of various events (Slogan Writing, Poster making, Rangoli and Debate competitions) were felicitated at the occasion.

Constitution Day Celebration

Constitution Day was celebrated on November 26, 2024, at DUVASU, Mathura. The event was graced by the presence of Shri Ashish Garg ji, District and Sessions Judge, Mathura, as the Chief Guest at university auditorium. Shri Garg enlightened students on constitutional freedoms, the judicial bail process, and legal aid provided to the under-privileged section. Registrar Prof. A.K. Madan detailed the Constitution's formation process and led the reading of the Preamble, engaging faculty, staff, and students. The event was attended by all faculty members, officers, and students, reflecting DUVASU's commitment to fostering awareness of constitutional values.

National Milk Day Celebration

National Milk Day was celebrated on November 26, 2024, at DUVASU, Mathura. The program was conveyed by Dr. Rashmi Singh, Dean College of Dairy Science. The event was inaugurated by Registrar Prof. A.K. Madan, who emphasized on the initiatives to promote clean milk production. 25 women from

Rampur Nagariya village received training on clean milk production during the program. Dr. V.S. Meena from NDRI, Karnal, delivered an insightful lecture on career opportunities in the dairy sector for students. An online National Dairy Quiz attracted 328 participants nationwide. Jagruti Srivastava (DUVASU) secured first position, Mukesh Goswami (Kamdhenu University) second, and Chanda Singh (DUVASU) secured third position. Faculty, staff, and students actively participated in this program.

Organized of 8th Annual Convention SVBBICON-2024

Department of Veterinary Biochemistry, COVSc&AH organized 8th Annual Convention of Society of Veterinary Biochemists and Biotechnologists of India (SVBBI) and SVBBICON-2024 on December 20th-21st, 2024. Dr. J.K. Jena DDG (Fisheries Science) was Chief Guest, Dr. Subhash Kaushik, Director General, Central Council for Research in Homeopathy was Guest of Honour and Hon'ble Vice Chancellor, Prof. (Dr.) Anil Kumar Srivastava presided over the function. More than hundred scientists, academicians, policymakers, healthcare professionals, researchers, field veterinarians, industrialists, students and all other stakeholders of animal health and production congregated in the two days event. Dr. Manish Kumar Chetli, Director, ICAR-Central Institute of Research in Goats, Makhdoom was the Chief Guest of Valedictory Function.

Awards and Recognitions

Name of the faculty	Awards/Recognition	Event/conference/symposia/workshop

Conferences and Symposium Attended by Faculty

Name of the department/ faculty	Event/conference/symposia/workshop
College of Biotechnology	Organized 30 days training entitled "Basic Tools and Techniques in Biotechnology" was conducted from July 8 th to August 7 th , 2024.
Department of Livestock Product Technology, COVSc & AH	Organized XII th conference of the Indian Meat Science Association (IMSA) and National Symposium on "Green and Sustainable Meat Sector: Global Game Changer" on September 26 th -28 th , 2024.
Agronomy and Fodder Crop Section, COVSc & AH	Organized 21 days winter school on "Recent Advances in Agrostology cum Pasture & Forage Research for Doubling Crop & Livestock Production" from 22 Nov to 12 December, 2024.
Department of Veterinary Biochemistry, COVSc & AH	Organized 8 th Annual Convention of Society of Veterinary Biochemists and Biotechnologists of India (SVBBI)-2024 on December 20 th -21 st , 2024
Department of Veterinary Epidemiology, COVSc&AH	Organized 18 th Conference of Indian Association of Women Veterinarian (IAWV) and national dialogue on "Role of Women for Viksit Bharat" on November 13 th -14 th , 2024
Department of Pharmacology & Toxicology, COVSc&AH	Organized XXIV Annual conference of ISVPTCON-2024 on November 19 th -21 st , 2024.
Department of Veterinary Anatomy, COVSc & AH	XXXVIII Annual Convention and National Symposium of Indian Association of Veterinary Anatomists on "Strategic Implementation Of Anatomical Facts For Sustainable Livestock Health, Reproduction And Production With Special Emphasis On Biotechnology And Immunology" from 24 th to 26 th October, 2024.
Department of Veterinary & Animal Husbandry Extension, COVSc&AH	Organized Two Weeks Training Programme on "Principle of Scientific Dairy Herd Management Practices" from 22/11/2024 to 05/12/2024 for the stockman from Central Herd Registration Scheme, Rohtak, Haryana
Department of Veterinary Physiology, COVSc & AH	Probiotic Awareness Day, in association with the Gut Microbiota and Probiotic Science Foundation, India on 24 th September 2024
College of Fisheries Science, DUVASU Mathura	A guest lecture was delivered by Dr. Amit Pande, Principal Scientist & Head, ICAR-DCFR, Bhimtal on 9 th Oct. 2024 at College of Fisheries Sciences, DUVASU, Mathura on the topic "Scope and Importance of Fisheries Education in India".
	A guest lecture was delivered by Mr. Rama Nand Gupta, Asst. Area Manager, Growel Feeds Pvt. Ltd., Hyderabad on 16 th Oct. 2024 at College of Fisheries Sciences, DUVASU, Mathura on "Importance of fish feed in pond aquaculture in India".
	A guest lecture was delivered in virtual mode by Mr. Anoop Tandon, Resident consultant, "WorldFish" on 26 th October, 2024 at College of Fisheries Science, DUVASU Mathura on the topic "Entrepreneurship development and scope of Fisheries sector".
	A guest lecture was delivered by Mr. Rajesh Chandra Singh, Progressive Entrepreneur of shrimp farming, Goa, on 8 th November, 2024 at College of Fisheries Science, DUVASU Mathura on the topic "Entrepreneurship development through shrimp farming in western U.P."
	An exhibition was displayed in "Career Guidance Mela" organized by district administration on 17 th Dec 2024 at Kishori Raman Inter College, Mathura. A lecture was also delivered by Dean, COFSc, DUVASU, Mathura to the students towards better career options and scope of fisheries education.
	An interactive programme with industry, Growel feeds pvt. Ltd., Hyderabad was conducted on 20 th December 2024 at College of Fisheries Science, DUVASU, Mathura with the knowledge of free mobile application Growel 360° and interaction of students with industry personnel.
	Dr. J. K. Jena, DDG (Fisheries Science), ICAR, New Delhi visited College of Fisheries Science, DUVASU, Mathura and interacted with faculty of the college on 19 th Dec, 2024.
	Dr. B. P. Mohanty, Former ADG (Fisheries), ICAR, New Delhi visited College of Fisheries Science, DUVASU, Mathura and interacted with the students and faculty of the college on 19 th Dec, 2024.

Prof. Desh Deepak Singh Dr. N. K. Gangwar Dr. Shyama N. Prabhu	Attended Veterinary Pathology Congress- 2024 and National Symposium on “Exploring Veterinary Pathology and diagnostic innovations in animal and poultry diseases amidst climate challenges” held at College of Veterinary Science, SKUAST, Jammu on 28 th -30 th Nov., 2024
Dr. Ajay Pratap Singh Dr. Ambika Sharma	Attended 8 th Annual Convention of Society of Veterinary Biochemists and Biotechnologists of India (SVBBI)-2024 organized by Department of Veterinary Biochemistry, COVSc&AH, DUVASU, Mathura, Uttar Pradesh on December 20 th -21 st , 2024
Dr. Arvind Kumar Tripathi Dr. Udit Jain Dr. Padma Nibash Panigrahi	Attended XXIV Annual conference of ISVPTCON-2024 organized by Department of Pharmacology & Toxicology, COVSc&AH, DUVASU, Mathura, Uttar Pradesh on November 19 th -21 st , 2024.
Dr. Devendra Kumar Dr. Nisha Malik	Attended 03-Day online National Training Program on “Hydroponic technology and precision agriculture” organized by Eco Fast Agri Solution in Association with CABM Pantnagar, Phonics Group of Institutions Roorkee, Uttarakhand and Farming Wave organized on October 25 th -27 th , 2024.
Dr. Devendra Kumar Dr. Nisha Malik	Attended All India Council for Technical Education (AICTE), Ministry of Education, GOI, sponsored session on “Angel investment/vc funding opportunities for early stage entrepreneurs” organized by the Institute’s Innovation Council (IIC), & School of Biomedical Sciences, Galgotias University, Greater Noida, Uttar Pradesh, in association with Gautam Buddha University, Greater Noida, Shobhit University, Meerut, Raghunath Girls’ Post- Graduate College, Meerut, Tika Ram Kanya Mahavidyalaya, Aligarh, and S.S.V P.G College, Hapur on June 05 th , 2024.
Mr. Faizan ul Haque	Attended one day course on Bioinformatics, DNA sequencing technologies and other tools and techniques organized by Genomac Institute (IMC, U.S.A), conducted on October 20 th , 2024.
Mr. Faizan ul Haque	Attended International conference on “Applications and innovations of Science and technology in industry”, organized by Society for progressive learning and Research held on 5-6 th October, 2024.
Mr. Faizan ul Haque	Attended an International e-conference on “Multifaceted applications in Biotechnology and applied sciences (e-COMBAS 1.0)”, held on 26-28 th July, 2024, organized by Edu Leviate Pvt. Limited (Startup India).
Dr. Meena Goswami	National Conference of American Chemical Society held at Denver, Colorado, U.S.A. in hybrid mode on August 18 th -22 nd , 2024
Dr. Mukesh Kumar Srivastava Dr. Ashish Srivastava Dr. Alok Kumar Chaudhary	Attended V th Annual Convention of Veterinary Internal and Preventive Medicine (VIPM) & International Symposium on Advancement of Veterinary Medicine for Holistic Development of Animal Health and Productivity held at SVPUAT, Meerut, Uttar Pradesh on November 22 nd -23 rd , 2024.
Prof. Vikas Pathak Dr. Archana Pathak Dr. N.K. Gangwar Dr. Ajay Pratap Singh Dr. Meena Goswami Dr. Sanjay Kr. Bharti Dr. Raju Kushwaha Dr. Shyama N. Prabhu Dr. Renu Singh Dr. Sakshi Tiwari Dr. Ambika Arun Dr. Kavisha Gangwar Dr. Amit Kumar Dr. Mokshata Gupta Dr. R.D. Yadav Dr. Anand Singh	Attended 30 days MOOC training on “Digital assessment and evaluation methodologies” held during 1-30 Sept., 2024 by ICAR-National Academy of Agricultural Research Management (NAARM), Hyderabad.
